**"Corns All Gone!  
Let's ALL Kick!"**

Every Corn Vanishes by Using Won-  
derful, Simple "Geta-It." Never  
Fails. Applied in 2 Seconds.  
Isn't it wonderful what a difference  
just a little "Geta-It" makes,—on  
corns and calluses? It's always right  
somewhere in the world, with many

"Wheel I Don't Care! I Got Rid of My  
Corns With 'Geta-It'!"  
folks humped up, with cork-screwed  
faces, gouging, picking, drilling out  
their corns, making packages of their  
toes with plasters, bandages, tape and  
contraptions,—and the "holler" in  
their corns goes on forever! Don't  
you do it. Use "Geta-It." It's marvel-  
ous, simple, never fails. Apply it in  
2 seconds. Nothing to stick to the  
sucking, hurt or irritate the toe.  
Bath stops. Corn comes "clean off,"  
quick. It's one of the gems of the  
world. Try it—you'll kick—from joy. For  
corns, calluses, warts, bunions.  
"Geta-It" is sold everywhere, 25c a  
bottle, or sent direct by E. Lawrence  
& Co., Chicago, Ill.

Sold in Cookeville and recommended as the world's  
best corn remedy by J. H. WATTS.

**OLDER BUT STRONGER**

To be healthy at seventy, prepare at  
forty, is sound advice, because in the  
strength of middle life we too often forget  
that neglected colds, or careless treat-  
ment of slight aches and pains, simply  
undermine strength and bring chronic  
weakness for later years.

To be stronger when older, keep your  
blood pure and rich and active with the  
strength-building and blood-nourishing  
properties of Scott's Emulsion which is  
food, a tonic and a medicine to keep your  
blood rich, alleviate rheumatism and  
avoid sickness. No alcohol in Scott's.

Scott & Bowne, Bloomfield, N. J.

**\$100 Reward, \$100**

The readers of this paper will be pleased to  
learn that there is at least one dreaded disease  
that science has been able to cure in all its  
stages, and that is Catarrh. Hall's Catarrh Cure  
is the only positive cure now known to the med-  
ical fraternity. Catarrh being a constitutional  
disease, requires a constitutional treatment.  
Hall's Catarrh Cure is taken internally, acting  
directly upon the blood and mucous surfaces of  
the system, thereby destroying the foundation  
of the disease, and giving the patient strength  
by building up the constitution and assisting  
nature in doing its work. The proprietors have  
so much faith in its curative powers that they  
offer One Hundred Dollars for any case that it  
fails to cure. Send for list of testimonials.

Expressions from all over the terri-  
tory which will contribute most heav-  
ily in men to the Southern Military  
Training camp at Chattanooga, since  
the order was promulgated deferring  
the first period until May 3, show a  
general feeling that the postponement  
will work out to the advantage of the  
camp. The movement which has for  
its object the preliminary training of  
business men and young men to a full  
realization of and preparedness for  
their duty as Americans, is increasing  
by leaps and bounds. The campaign  
of education which success of the  
training camp entails is growing every  
day, with more and more men under-  
standing it and in sympathy with it.
